TO

PAUL VOLODARSKY, ESQ.  
80 MAIDEN LANE, SUITE 507 APT./NO.: SUITE 507  
NEW YORK, NY 10038

A Notice of Violation was duly served, charging that on: 10/19/2009, at 04:10 PM, the Respondent violated the below infraction(s).

The Respondent appeared and entered the plea(s) indicated below, and a hearing was held before me on the above-cited date.

On the Record before me, I find: DISMISSAL: For the reasons stated below, the Notice of Violation is dismissed.

Infra. Code	Section/Description	Plea	Disposition	Reason	Penalty
-------------	---------------------	------	-------------	--------	---------

AD15 2	A.C. 19-121(B)(7)-OBSTRUCTION OF FIRE HYDRANT OR BUS STOP	Deny	Dismissed	3	\$0.00
--------	---	------	-----------	---	--------

FURTHER FINDINGS OF FACT/CONCLUSIONS OF LAW:

Paul Volodarsky, Esq appeared and stated that he was authorized to represent Respondent. Gail Travis appeared on behalf of Petitioner.

Mr. Volodarsky stated that service was defective because the Affidavit of Service only gave the license number of the person being served and did not state with specificity who was being served.

I find the Notice of Violation to be defective because it was improperly served.

This decision was recorded on NYSERV under 8969486

Accordingly the NOV is dismissed.

CIVIL PENALTY: I order the Respondent to pay a total of: \$0.00

In addition, I order the Respondent to perform the Compliance Order(s), if any, listed above.
